Sonia sat and looked at her shoe.
She thought to herself,
“What will I do?”

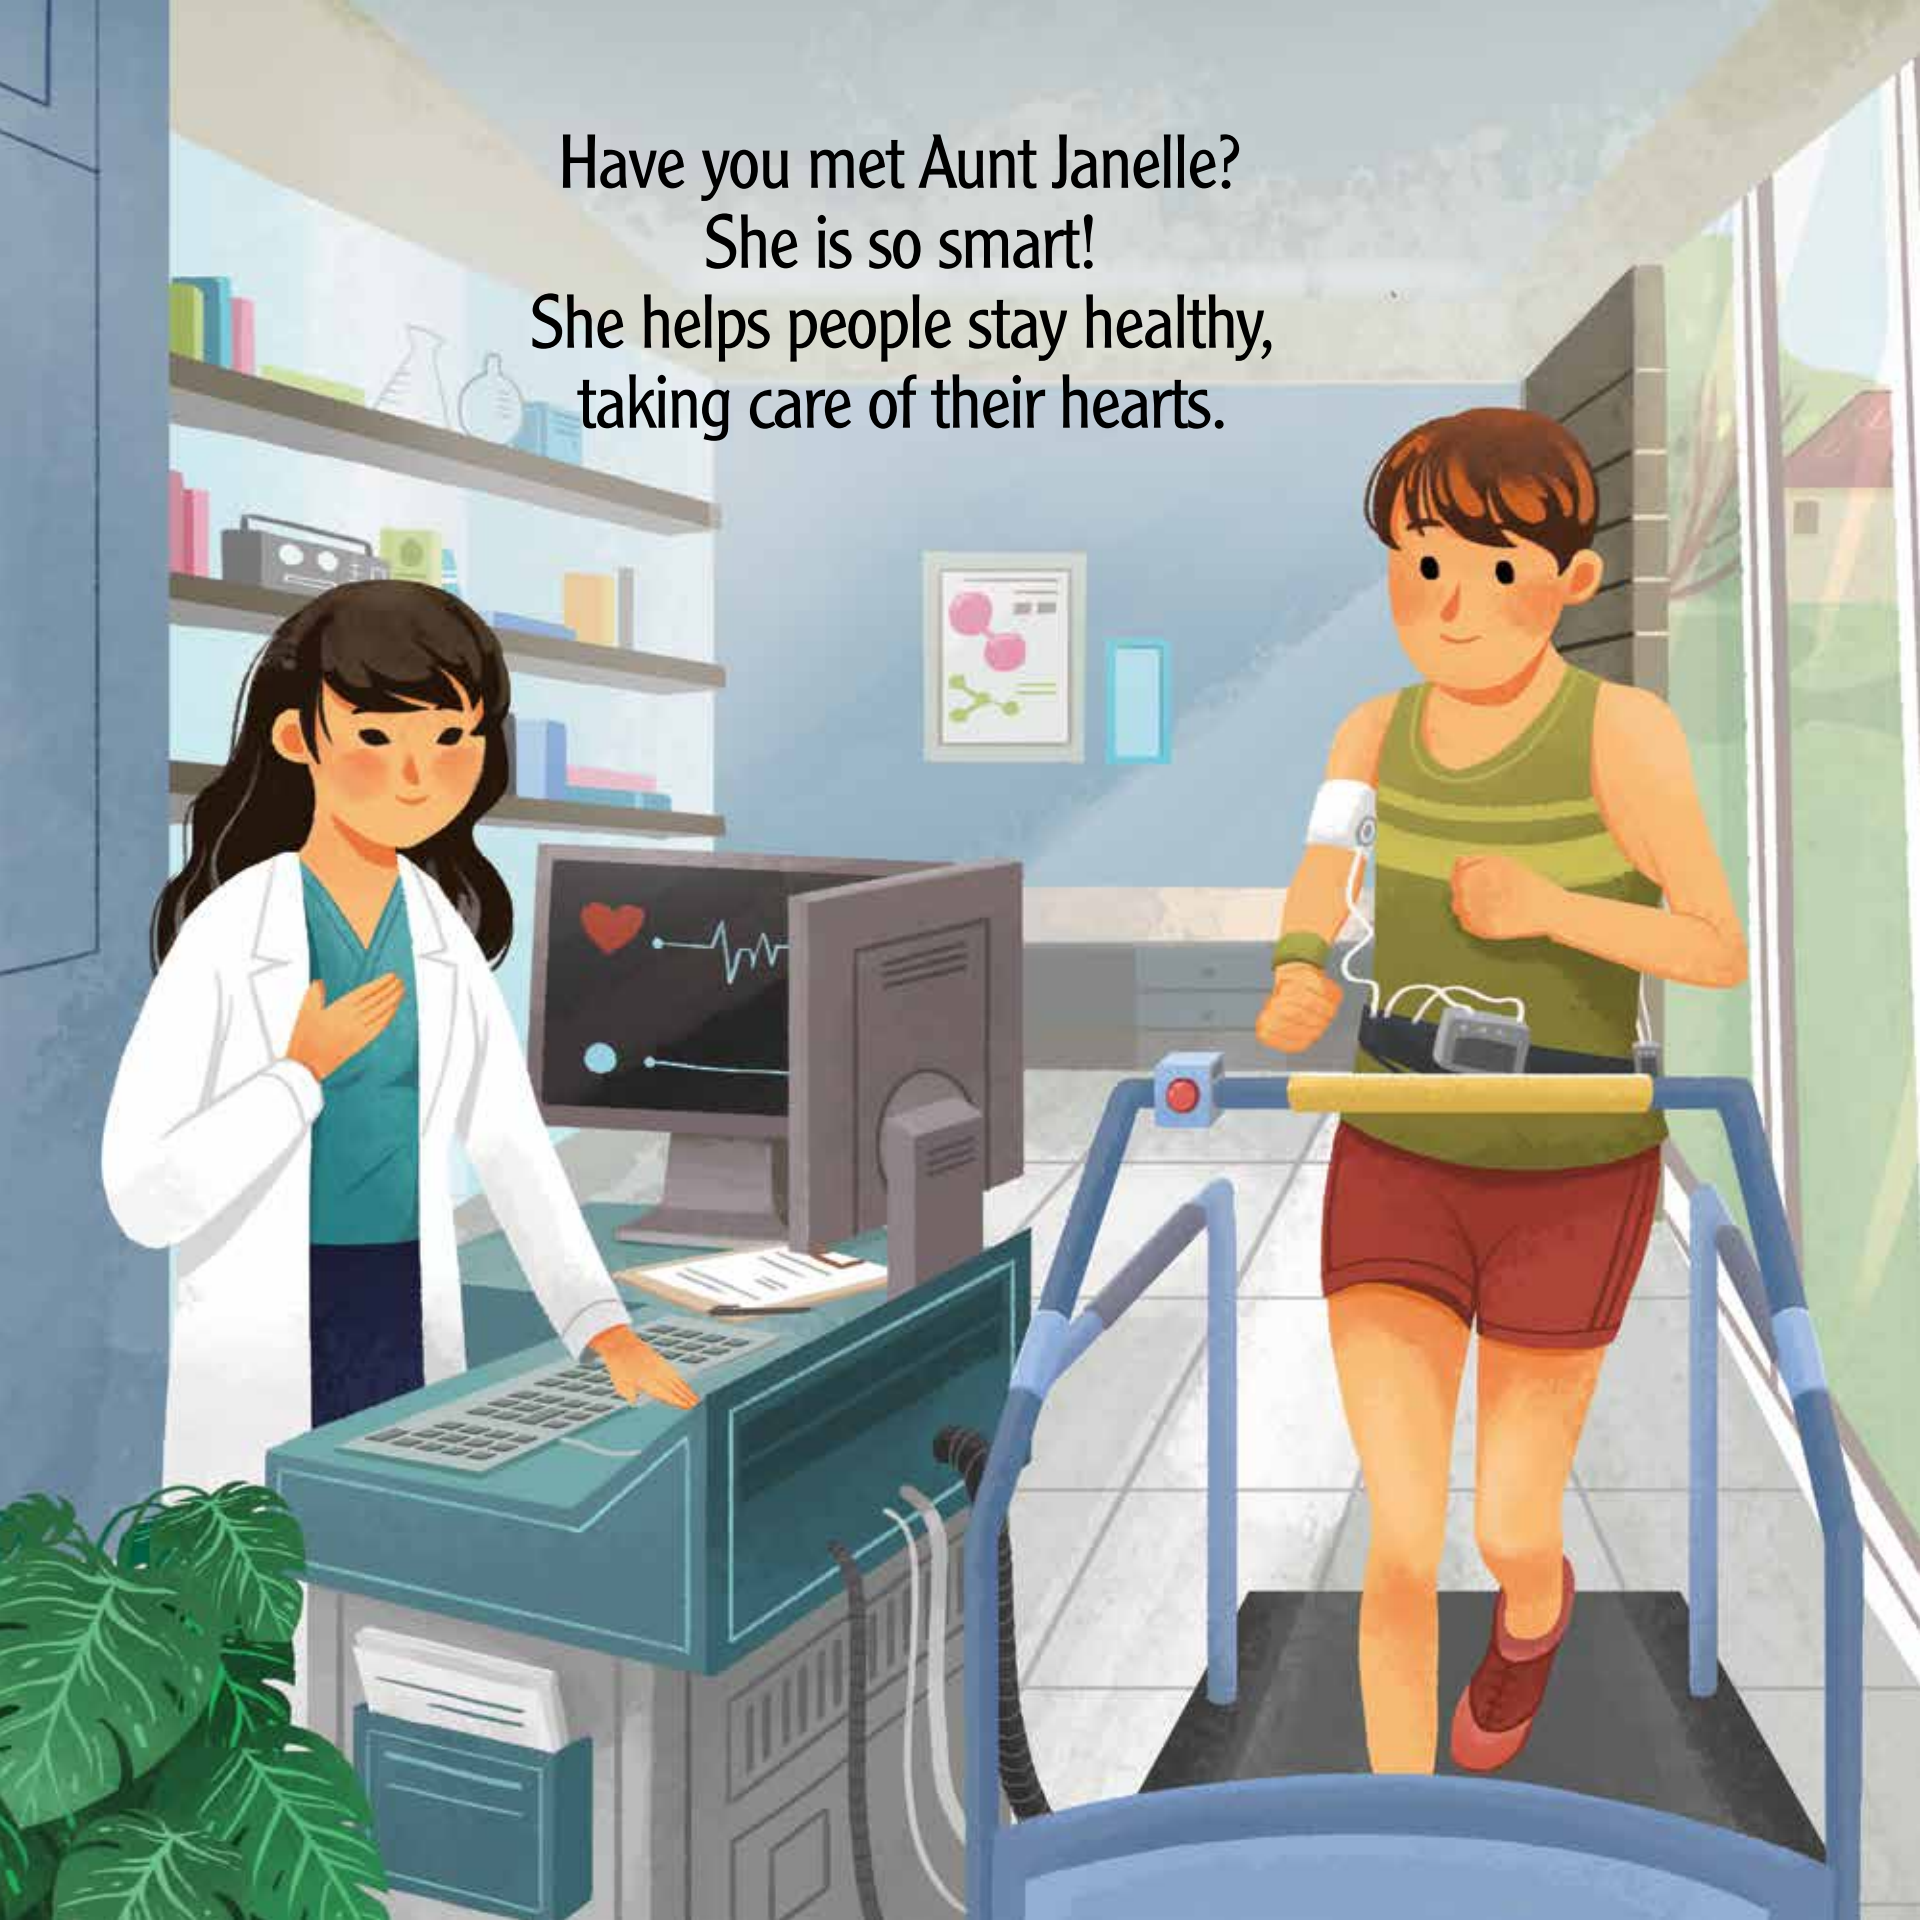

Will I be like Aunt Steph
who helps folks without homes?
She lets them know
that they're not alone.

Or maybe I'll work
in a store like Uncle Nick.
He makes sure
people's eyeglasses fit!

Have you met Aunt Janelle?
She is so smart!
She helps people stay healthy,
taking care of their hearts.

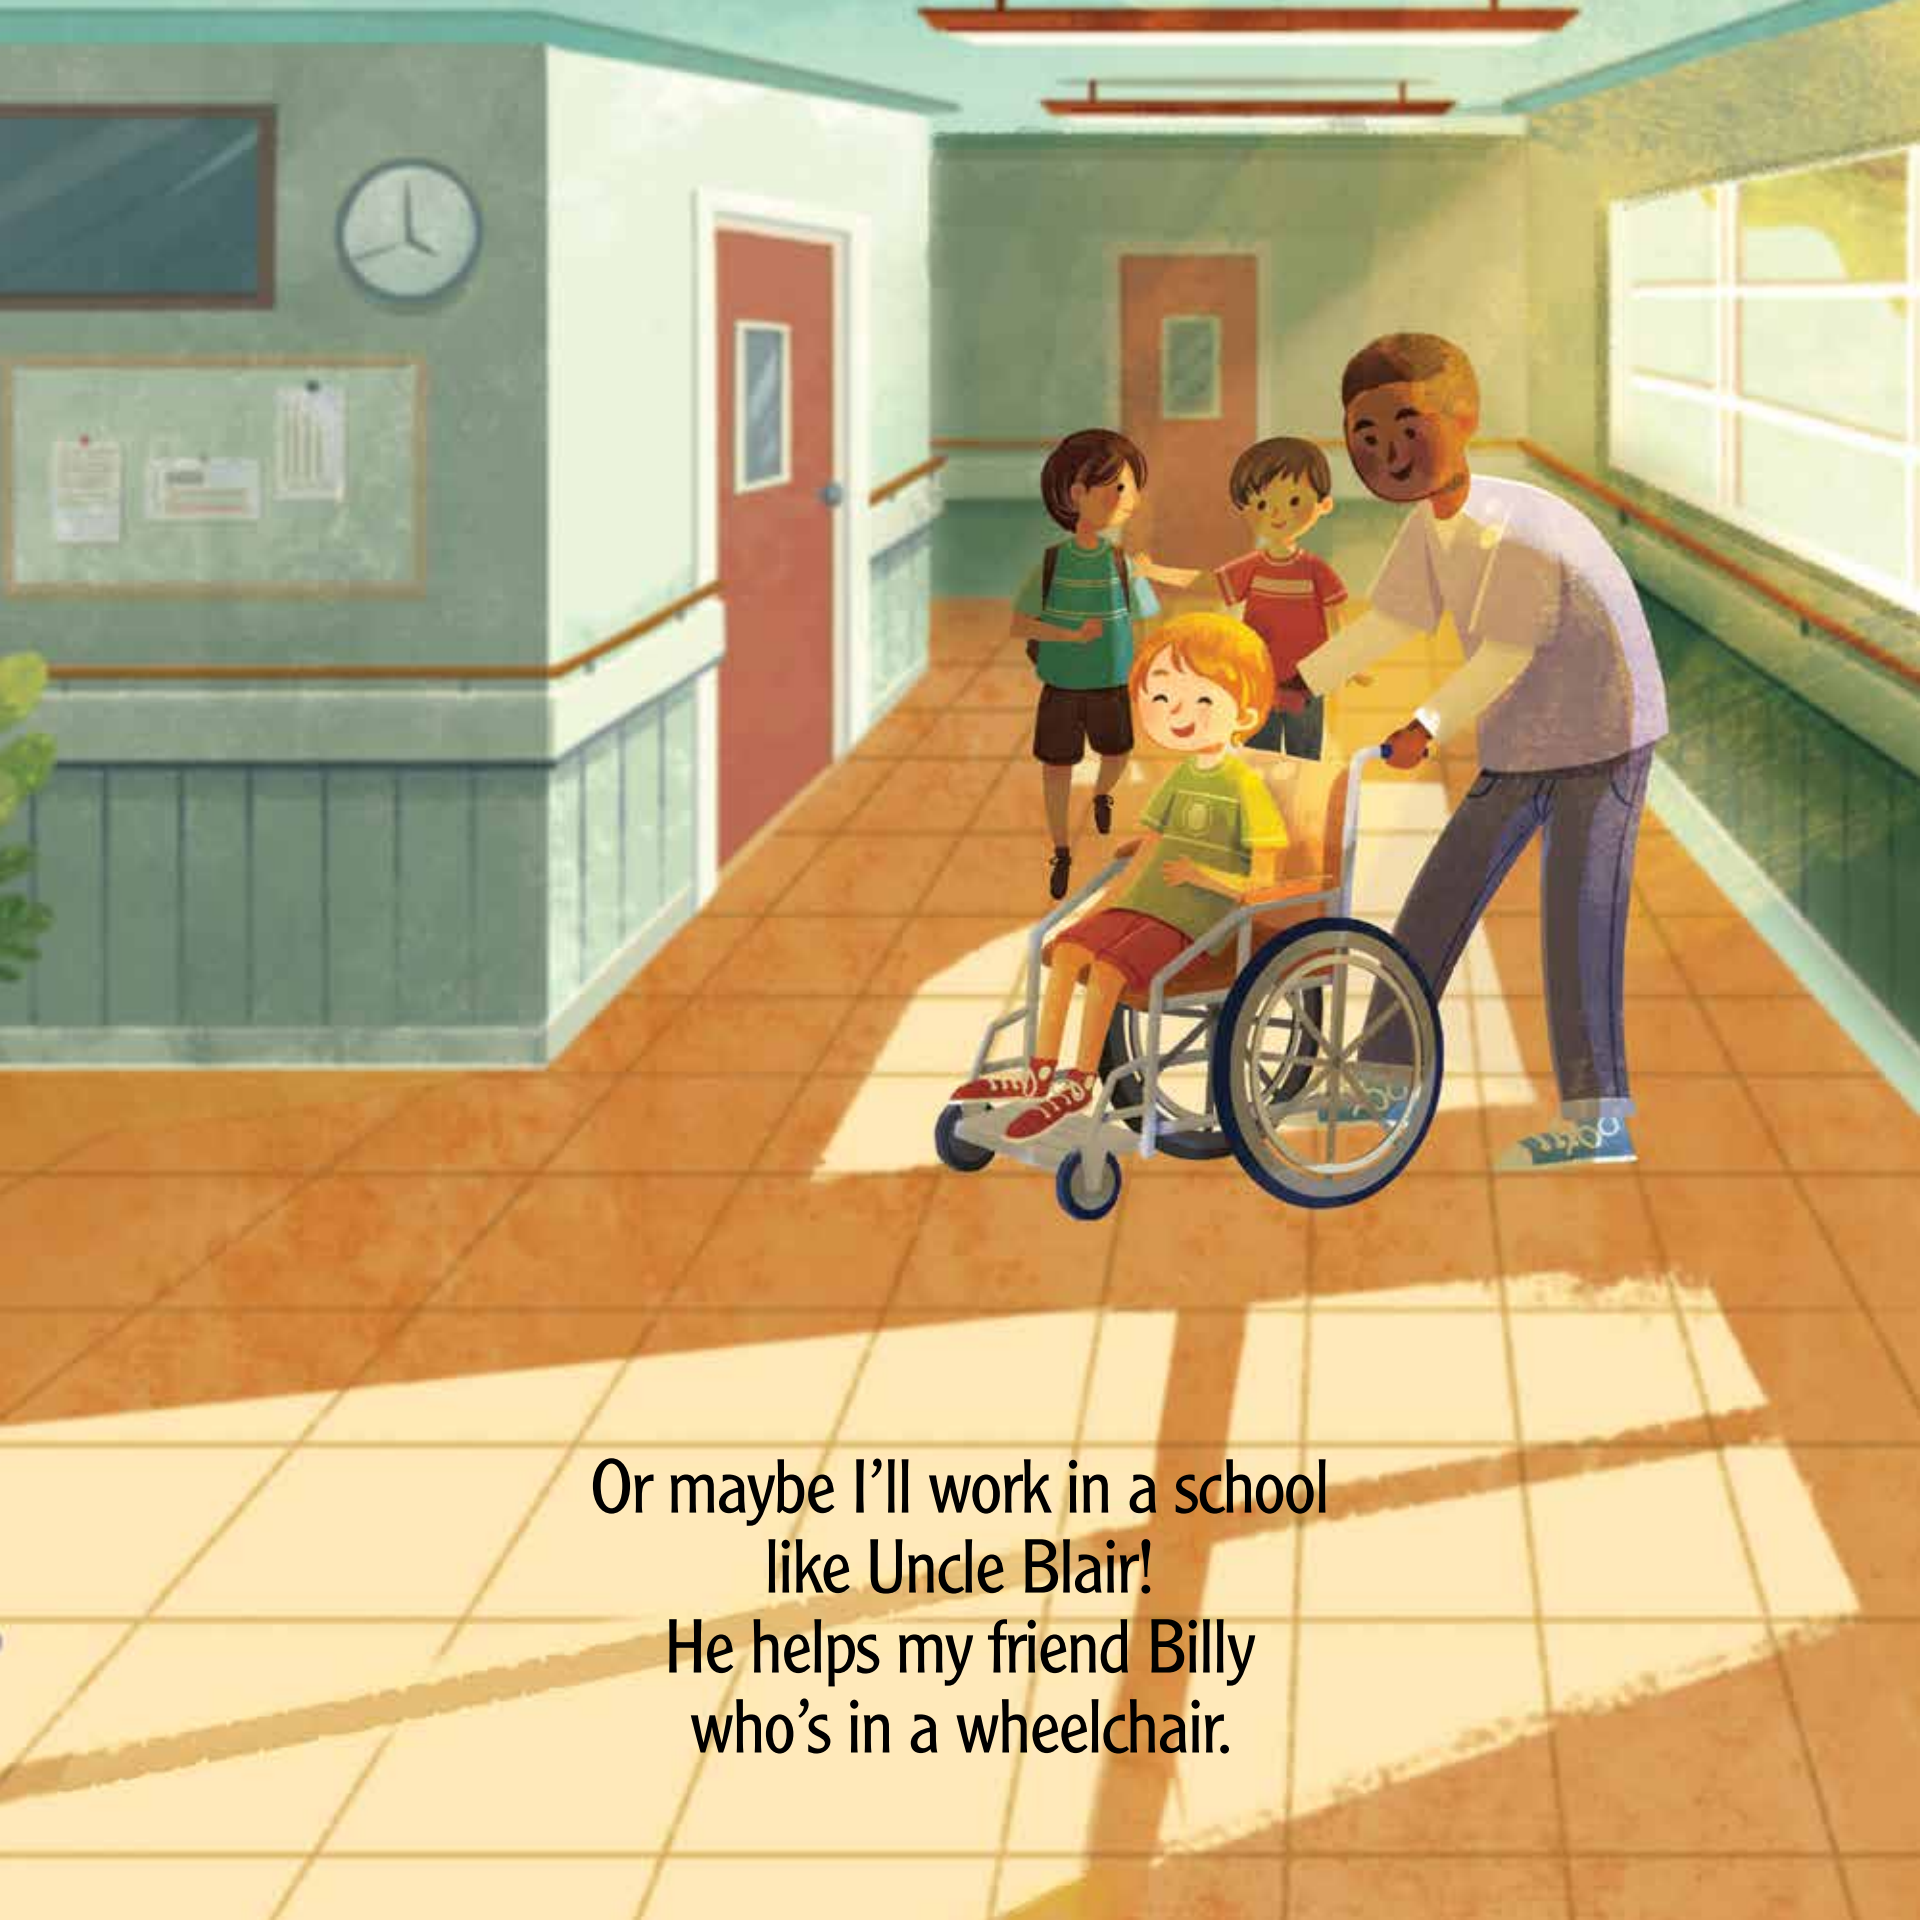

All these ideas
would surely be fun...
But for now,
I'll just be a kid.

But when I grow up,
what will I be?
A Practical Nurse,
like my Auntie Nelly?

Or maybe I'll work in a school
like Uncle Blair!
He helps my friend Billy
who's in a wheelchair.

And then there's my hero,
cool Cousin Judd!
He works in a lab
where he takes people's blood.

But I don't really know
if taking blood is for me.
Should I prepare medications
like Aunt Rosalie?

My mom's friend, Harpreet,
is a Hospital Clerk.
She checks patients in
and loves her work.

All these ideas
would surely be fun...
But for now,
I'll just be a kid.

But maybe, just maybe,
when I'm not a kid anymore,
I'll find a job that I really adore!

I could work in a place
where grandparents live.
I would teach them fun games –
Oh! The joy it would give!

Or I could help them keep healthy,
and care for them each day.
I could bathe them, and feed them,
and make sure they're okay!

My dad talks to people
when their lives get tough.
He even talks to kids
when times are rough.

My mom also helps people
when they're having bad days.
She helps them feel better in all sorts of ways!

I love my teacher,
Mrs. Neetu.
She plays games, sings songs,
and teaches us, too!

So, what should I do?
I'm not sure what I'll be!
Will I be like Harpreet?
Cousin Judd? Aunt Rosalie?

For now, I'm just a kid
and I'm happy being me.
What will I do?
Let's wait and see!

What will you do?
